Mr. Todd,

We are following up on the below because we anticipated a response last week. Please let us know (1) when we can expect a response to our more particularized FOIL requests, and (2) whether NCPD intends to object to producing documents or information related to unfounded and/or unsubstantiated civilian complaints against police officers.

We look forward to continued cooperation throughout this process.

Regards,

Kingdar

This is a copy of a pleading filed electronically pursuant to New York State court rules (22 NYCRR §202.5-d(d)(3)(i)) which, at the time of its printout from the court system's electronic website, had not yet been reviewed and approved by the County Clerk. Because court rules (22 NYCRR §202.5[d]) authorize the County Clerk to reject filings for various reasons, readers should be aware that documents bearing this legend may not have been accepted for filing by the County Clerk.
Subject: RE: FOIL Request Correspondence Reference # LB 649-20

Mr. Todd,

We are following up on the below to inquire when we can expect a response to our more particularized FOIL requests.

On a related note, we understand from the Article 78 petition that Newsday recently filed regarding its FOIL request directed to the Nassau County Police Department’s (“NCPD”), that the NCPD took the position that Public Officers Law Section 87(2)(b) permits it to withhold (or redact) unsubstantiated and unfounded civilian complaints against police officers. Based on NCPD’s response to our FOIL requests and our prior discussions, we had understood that unsubstantiated or unfounded civilian complaints will be produced in response to our request for all disciplinary records. Please let us know by no later than Tuesday, February 23, whether NCPD intends to object to producing documents or information related to unfounded and/or unsubstantiated complaints.

Thank you,
Samantha
