Good morning Rob!

I wanted to follow up and set up an introductory meeting with you and our partner Holly Hubert of Global Security IQ.

As mentioned Holly is a former FBI Supervisory Agent and headed the Cyber Crimes Unit. she is truly the best of the best in Cybersecurity.

Do you have availability to meet either the 15th or 16th of March? if so just let us know what time is good?

Thanks!

Tony

Thanks Tony,

I am interested. My role with the project and security should become more clear soon. Either way, I will look forward to following up. I very much like the outlook of how things are developing and believe yours and Maria's leadership has been essential to our progress. Thanks for your patience and persistence.

Rob,

Very nice bringing up the cybersecurity issue today!

We never want to overwhelm clients but that is literally one of the areas that we see as extremely vulnerable and under recognized.

We realize that WNYRIC and BOCES offer certain services in this areas, however, we have found them to be minimally adequate. We partner with a firm that specializes in this area. The firm is actually run by former FBI agents one of whom was the head of the Cyber Crimes and Cyber Security Division.

If at some point you would be interested, I would be happy to facilitate a meeting to introduce you and perhaps have them complete a fact finder and proposal?

I welcome your thoughts.

Tony
