The Individuals Justice

Stand up straight, shoulders back.
Raise your chin and bare your neck.
Fill your lungs and raise your voice.
They have left us with no choice.

Fight for what you think is right.
Fight tirelessly through the night,
For if your heart is just and true
The pure intensions will shine through.

One voice alone cannot stand
But a million more will lend their hand.
Birds of a feather!
Band together!

We cannot sit idly by
While the innocent cry.
Care for all, care for one.
If one is forgotten, it can't be done.

The justice of one is the justice of the nation.
For we are all equal from birth and creation.
