Mr. Todd,

We are following up on the below to inquire when we can expect a response to our more particularized FOIL requests.

On a related note, we understand from the Article 78 petition that Newsday recently filed regarding its FOIL request directed to the Nassau County Police Department's ("NCPD"), that the NCPD took the position that Public Officers Law Section 87(2)(b) permits it to withhold (or redact) unsubstantiated and unfounded civilian complaints against police officers. Based on NCPD's response to our FOIL requests and our prior discussions, we had understood that unsubstantiated or unfounded civilian complaints will be produced in response to our request for all disciplinary records. Please let us know by no later than Tuesday, February 23, whether NCPD intends to object to producing documents or information related to unfounded and/or unsubstantiated complaints.

Thank you,  
Samantha
