Thank you very much for acknowledging the request so promptly!

Thanks for asking for additional clarification RE: the timeframe for the requested records. We are seeking any databases fitting the parameters laid out in the FOIL relating to agency employees regardless of the time period. In other words, we would like records responsive to the requests going back as far as the agency retains them.

Thank you very much for your time and care!

Apologies for missing that point.

By way of clarification, "agency employee" is meant to refer to anyone employed or formerly employed by the New York City Department of Corrections. Of course, to the extent to which a database in your possession only holds a subset of that category, that is also acceptable.

Thank you very much and let me know if you have further questions. I appreciate your willingness to seek clarification.

Okay on the timeframe and what about the clarification of "agency employee"?
